

# *Lerryn C of E Primary School*

## *Music Development Plan*

### **Context**

*The National Curriculum for music aims to ensure that all pupils:*

- Perform, listen to, review and evaluate music*
- Be taught to sing, create and compose music*
- Understand and explore how music is created, produced and communicated.*

*At Lerryn CE Primary School, children learn music skills and knowledge progressively through themed, purposeful learning that is*

*integral in our creative curriculum. To enable music teaching to be accessible to all, staff are supported to enable children to gain a firm understanding of and intrigue in music through listening, singing, playing, evaluating, analysing, and composing across a wide variety of historical periods, styles, traditions, and musical genres. We have a wide range of musical instruments in school and rent from the Ason Music Hub when needed. They also provide whole class tuition in a range of musical instruments, led by experienced music teachers. This is complemented by the units studied through Charanga.*

## Long-term Plan (2024-2027)

- *Instrument audit*
- *A strong working relationship with our local Music Hub providing support for all staff as well as supporting enrichment and curriculum*
- *Develop singing assemblies*
- *All teachers teaching music confidently within their age setting*
- *Range of instruments taught across the setting through whole-class and elective tuition*
