BRING COURAGE

BRING CREATIVITY

BRING FRIENDSHIP

## PRAYER

Dear Lord,  
We thank you for the wonderful variety of gifts and talents you have given to each of us. As we explore the "World of Work," help us to see the many ways we can use our hands and minds to help others. Guide our children as they begin to dream about their futures, and help them to grow in the confidence, kindness, and resilience they need to build a better world.  
Amen.

## CEO SPACE

It has been a week of high-level collaboration! The week began with a Joint Hub Leader meeting at Cardinham Woods, focusing on strategic planning and shared best practices. Following this, an insightful meeting with the South West Leaders Network, working with regional executives to drive educational innovation across the peninsula. Today, I am in Plymouth with The Learning Academy Partnership (South West). These regional connections are vital in ensuring we continue to provide the best possible opportunities for every child.

Have a great weekend  
Sean

## A STELLAR PERFORMANCE AT THE SPEECH & DRAMA FESTIVAL!

We are incredibly proud of Joseph who represented Braddock school brilliantly at the recent competition, competing against 22 talented schools. Joseph took 1st Place! The adjudicator was particularly moved, noting that Joseph's understanding and performance of his poem were "incredible" and a true credit to his hard work.

Joseph also secured a fantastic 3rd Place in a very competitive second class. He continued to compete in three further classes throughout the afternoon—well done, Joseph, for such an impressive display of talent and character!

**Did you know that 68% of adults are currently working in jobs that didn't even exist when they were at primary school?**

## WORLD OF WORK WEEK

This week, our halls were buzzing with ambition as we celebrated World of Work Week! From meeting local police men and woman to exploring careers in farming, the children explored a vast range of careers and the skills needed to succeed in them. It was a fantastic opportunity to connect their current learning to their future dreams and to show our pupils that there are no limits to what they can achieve.
